What Makes a Good Uniform?

Before purchasing, it's important to understand what makes a uniform durable and comfortable. Here are key factors to consider:

- **Polyester:** Durable and resistant to wrinkles, making it ideal for sports and workwear.
- **Blended Fabrics:** A mix of cotton and polyester offers the best of both worlds.

2. Fit and Comfort

A uniform should provide comfort without restricting movement. For sports teams, flexibility is key, while for office settings, a professional fit is preferred.
